

QUALITY POLICY STATEMENT

It is the policy and overall business objective of Lynbond Ltd to provide Cleanroom Products of the highest quality and in compliance with the Customer & interested parties' specified requirements, while meeting national and international legislation in a safe and environmentally sensitive manner.

It is also Lynbond Ltd.'s objective to enhance its reputation and capabilities to gain wider recognition in its fields of expertise.

Lynbond Ltd recognises that a commitment to understanding its customers' needs is essential to achieving these objectives, and thus continually strives to ensure that the needs and reasonable expectations of its clients are met in the quality of the products it provides.

Lynbond Ltd will constantly monitor its quality performance and is committed to continually improving the QMS to enhance customer satisfaction.

To achieve these objectives, Lynbond Ltd has developed a Quality Management System conforming to **ISO 9001:2015**, which will be described in the Quality Policy Manual and detailed in the Procedures Manual. These procedures will be developed with all employees to ensure full understanding and adherence to the principles, enabling the company to maintain its ISO 9001 accreditation.

This Policy Statement is displayed & communicated throughout the organisation & will be made available to all interested parties.
