

Open frame pedestal waste bag holders

SKU: HWBH-OFL

Description

Our open frame pedestal waste bag holders are manufactured from 304L-grade stainless steel, ensuring optimised durability, corrosion resistance and hygiene.

A plastic-free design and food-grade edge trims ensures that our products are easy to clean, supporting rigorous hygiene standards. It comes complete with a tough elastic band that securely holds the bag in place, reducing the risk of tearing or spilling waste.

As with all our products, our open frame waste bag holders are suited to rigorous hygiene and HACCP routines, meaning you can rely on us to deliver a hygienic, durable and easy to clean product ideal for your workspace.

Available without a lid or choose from our range of lids. Lift lids and foot operated lids, to aid with hands-free use, are available. Clean room grade, non-shedding band options are also available.

Mobile version is available, offering even more use ability.
