

Wall mounted sterile wipes dispenser

SKU: HWDI-WMSW

Description

Our wall mounted sterile wipe dispenser is ideal for the hygienic dispensing of sterile wipes, offering a space-efficient solution to your dispensing needs.

Fully welded in 304L-grade stainless steel, it is robust, hygienic and sturdy, making it ideal for a hygiene-focussed workplace due to its exceptional build quality and ease of cleaning.

Its internal flap ensures the wipes are pushed to the front, allowing for easy and efficient dispensing.

The sterile wipe dispenser features four rubber feet, making it stable and safe for your workspace.

As with all our products, our sterile wipe dispensers are suited to rigorous hygiene and HACCP routines, meaning you can rely on us to deliver a hygienic, durable and easy to clean product ideal for your workspace.

The wipe dispenser is very easy to refill; just push the flap to the top and place the sterile wipes in position.
