

Stainless steel cupboard shelves

SKU: SHCC-SS50x40

Description

Our stainless steel shelves are perfect for use with our range of cupboards, allowing you to customise your cupboard to your exact specification. Manufactured in 304L-grade stainless steel shelves for optimal sturdiness and durability.

Long-lasting and sturdy, the shelves have adjustment points every 180mm and have a wire option, ideal for your storage requirements.

The shelves are strong and versatile, offering you the perfect solution to space-efficient storage.

As with all our products, our stainless steel shelves are suited to rigorous hygiene and HACCP routines, meaning you can rely on us to deliver a hygienic, durable and easy to clean product ideal for your workspace.
